2.6 Business Arising from Previous Meeting and AGM

2.6.1. Notice to vacate Zemke tenancy - George will review the current "Tenant Survival Guide" as to the amount of notice necessary and if a payout is required.

Ted will give the notice to the tenant after reviewing the "Act" with George. Problems with the house were noted such as cleaning, re-wiring the kitchen, and painting. Ted will look up the building inspectors report.

2.6.2. We want to find more about the custodian before giving notice to the tenant. There is an ad-hoc committee to look into this:

Jacques Beaudreault
Matt Phillips
Heather Kean
Heather Gater
Bill Murdoch
Ken Clausen
Pam Rushka

Jacques will chair this committee and bring the members of the board up to date. Bill Murdoch will look into the market price of custodians as well as changes in the employment situation in regards to the custodian's wage.

2.6.3 Second committee to look into the day-care situation in regards to:

- The age of Mrs Morris
- Change of government rules, etc.
- Explore other possible uses

Notes on these discussions: Mrs. Morris did not ask for this review but we suspect that she is ready to retire. She has been “grandfathered” into this business. The current regulations are not being followed and we could be in trouble. The previous minutes need to be corrected in this regard. We (the church) do not want to take this on.
